ABOUT ME

Final year BTech student in Electronics and Telecommunication with a passion for full-stack web development. Proficient in HTML, CSS, JavaScript, and React for frontend development, with experience in Node.js for backend services. Seeking a web developer internship to apply my technical expertise, contribute to innovative projects, and gain hands-on experience in a professional setting. Eager to leverage my knowledge responsive design principles to create efficient and user-friendly web applications.

PROJECTS

- **Snake Game**
  Link to Project
  Description: Developed a classic Snake game using HTML, CSS and JavaScript.
  Technologies Used: HTML, CSS, JavaScript
